Traffic Fatality #14

Case: 09-0940409

Date: Saturday, April 04, 2009

Time: 2:41 a.m.

Location: North Capital of Texas Highway at North Mopac, Northbound Service Road

Deceased: Harold W. Darby, Black male, (D. O. B. 04-03-65)

Narrative:
On Saturday, April 4, 2009, at 2:41 a.m. the Austin Police Department responded to a one vehicle crash at the intersection of North Capital of Texas Highway and North Mopac, Northbound Service Road. It appears that a gold Toyota sedan was traveling northbound on N. Capital of Texas. When the Toyota reached the T-intersection of N. Capital of Texas and N. Mopac, Northbound Service Road, the car drove through the intersection and crashed into a cement retaining wall. The driver of the Toyota was pronounced deceased at the scene.

This case remains under investigation by APD Vehicular Homicide detectives. Anyone with information about this incident is asked to call 974-8266.

The identity of the victim is not being released pending notification of family. This is the 14th traffic fatality of 2009.
